IIS-ISUOG CONFERENCE IN DELHI ON 30TH MAY TO 3RD JUNE

ISUOG had out reached India for the first time and we saw that as an excellent opportunity to learn from the experts in the field of ultrasound in obstetrics and gynecology. As promised, IIS India 2012 was excellent in scientific program. IIS India 2012 was held at the Taj Palace Hotel in New Delhi from May 31st to June 3rd 2012.

We thank Prof Ann Tabor president ISUOG, Prof Rabih Chaoui as education committee chair and ISUOG team for giving us the opportunity to host the 8th international symposium (IIS India 2012) in India.

Good scientific program got clubbed with excellent international and national faculty with professional management of the IIS India 2012 gave India the most 'scientific, successful and memorable' conference ever. In India, we have learnt many new things in ultrasound, at the same time, we could convenience our self that we, in India, are not far behind the world.

We had magnificent international faculty Ann Tabor, Rabih Chaoui, Prof Yves, Prof Jan Deprest, Simon Meagher, Dario Paladini, Lil Valentin and Gustavo Malinger. We had more than 40 national faculties who were at par with our international faculties.

We had more than 878 registered delegates for the conference and 425 for six different workshops.

We had detailed discussion on latest technique of ultrasound imaging for better management of infertile patients, in diagnosing pelvic floor disorders, the first trimester scan for early diagnosis of aneuploidies, structural malformation including congenital cardiac malformations and adverse pregnancy outcomes.

There were six pregress workshops, where the delegates got the opportunity to learn about a particular topic in depth and have opportunity of having their doubts cleared by experts.

We had attendance from 14 countries in the conference. Indian Society of Ultrasound in Obstetrics and Gynecology (INSUOG) will always remain committed to the philosophy of ISUOG.

A special session on Say No to Sex Determination was held at the time of the inauguration and an oath was administered to all the delegates at the time of the inauguration.

See you all in GOA in 2014.
