This issue comes to you after the successful SAFOG conference held in Agra in March 2013. The conference was addressed by the president of FIGO and the presidents of all the member societies. Record number of delegates from all SAFOG country members participated.

This issue of journal carries Research articles on first stage labor, Neuroimaging in Refractory Eclampsia. Original articles are mixed with Review articles and Case reports.

This issue brings you a new President and a new Executive Board and also a new Editorial Board.

We urge all countries to kindly contribute research and news from their countries, so that we get a mix of results from all SAFOG region.

Happy Reading
