## AICOG MANUAL ON PRESCRIPTIONS IN OBSTETRICS & GYNECOLOGY

This manual covers various guidelines for managing various obstetrics and gynecological conditions and is also a concise guide for busy practitioners, postgraduate students and consultants practicing obstetrics and gynecology. The readers will definitely get benefit from this manual.

This manual on Prescriptions in Obstetrics and Gynecology is a comprehensive manual which covers the requirements of treating doctors to prescribe for various disorders. This is a ready-reckoner for all of us. I must congratulate the authors for bringing this pocketguide. Every clinician should have this comprehensive manual in their white pockets.
